SUPERCEDING STANDING ORDER

This Order modifies and supercedes the March 4, 2004 standing order (Doc. No. 157) regarding pending motions in transferor courts. The changes are necessary since the Eastern District of Arkansas has commenced electronic filing -- CM-ECF.

The Judicial panel on Multidistrict Litigation continues to transfer civil actions to the United States District Court for the Eastern District of Arkansas for coordinated or consolidated pretrial proceedings under 28 U.S.C. § 1407 in the above-referenced action. A number of unresolved motions appear on the dockets of the cases transferred to this Court as part of MDL 1507. In an effort to expedite the resolution of those outstanding motions:

All pending motions -- including motions to remand -- transferred to this Court for coordinated or consolidate pretrial proceedings in connection with MDL 1507 are DENIED WITHOUT PREJUDICE. The parties may re-file these motions using the docket number assigned by this Court, in accordance with the Practice and Procedure Orders previously entered in this matter. The relevant motions, supporting papers, and responses previously filed in the transferor court may be attached as exhibits to the new motion if the parties want me to review them.

As ORDERED in Practice and Procedure Order No. 1, in the MDL 1507 case, liaison counsel for both Plaintiffs and Defendants will receive orders and notices from the Court on

behalf of all parties. Liaison counsel will be responsible for transmitting copies of these orders and notices as required by PPO1.

In individual tag-along cases where the lawyers have not yet registered on CM-ECF in the Eastern District of Arkansas, the Clerk of the Court will send notices of electronic filing to liaison counsel, who must deliver the notices to the parties who did not receive the notices electronically.

IT IS SO ORDERED this 11th day of August, 2005.

UNITED STATES DISTRICT JUDGE
